NOTE:
 Estimated Yield is based upon a 6% letter-sized original, for all listed items EXCEPT FC22, FC15 and FC70, stated in number of copies.
 Estimated Yields for FC22 and FC15 are based upon a 24% letter-sized original, full page image, stated in number of copies.
 Estimated Yield for FC70 is based upon a 15% letter-sized original, full page image, stated in number of copies.
 (2) BL9050D is a 2 blade system that changes automatically/Yield is based upon 2 blades.
 D9050 Yield and grams are based upon a 2 bag container.
 *Stand20 will not work with 4000-sheet large capacity cassette.
